## Company Honourability & Vulnerability Awareness self-assessment

**The delivery of the company Honourability & Vulnerability self-assessment declaration will guarantee the company honourability, ethics & professional conduct.**

**It is a formal requirement before a valid application for the call.**

***Ethics*** *explores the moral meaning of complex situations, beyond simple rules, questioning underlying motivations, while* ***professional conduct****,* ***deontology****, provides the normative framework (professional secrecy, etc.). These two concepts complement each other for an* ***honourable*** *(responsible) practice.*
