

Invitation REMEDI Federal Research Project Symposium (BELSPO)

Dear,

We are delighted to invite you to the REMEDI project symposium (General Practitioners' recommendations to patients with mental health problems and diverse migration background). This dissemination event serves as a platform to present the insightful findings of our project, focusing on the decision-making of general practitioners regarding patients with diverse migration backgrounds and mental health problems, specifically depression. As a result of our findings, we will share several policy recommendations that have emerged from our research.

The dissemination event will take place on the 11th of September from 9:00 AM to 1:30 PM at the Belspo offices (in a hybrid form). We have carefully curated a program that includes an engaging presentation of our research project, a discussion of the results by two key actors in this domain and opportunities for networking with fellow researchers, healthcare professionals, and policymakers.

Program:

- 9h-9h30: Welcome and Registration
- 9h30-9h40: Introduction by Prof. Vincent Lorant (UCLouvain)
- 9h40-9h55: Presentation of the background of the project by Dr. Katrijn Delaruelle (UGent)
- 9h55-10h25: Presentation of the quantitative results by PhD Camille Duvéau (UCLouvain)
- 10h25-10h55: Presentation of the qualitative results by PhD Camille Wets (UGent)
- 10h55-11h15: Coffee Break
- 11h15-11h45: Conclusion and discussion of the results
- 11h45-12h15: Questions and Answers
- 12h15-13h30: Lunch

Location:

- On site:
Belspo offices, meeting room 'Mississippi'
WTC III – Simon Bolivarlaan 30 bus 7 | Avenue Simon Bolivar 30, B7
1000 Brussels
[Google Maps – Belspo Brussels](#)
- Or online:
The link will be sent in due time

How to register:

The inscription is free but to participate in this event, we kindly ask you to register using the following link: [Registration form REMEDI Symposium](#)

Given this dissemination event takes place in a hybrid way, you can register to participate in person or online. Space to participate in person is limited, so we encourage you to register at your earliest convenience.

We highly value your presence and active engagement at this dissemination event, as your insights and contributions will greatly contribute to the dialogue surrounding mental health disparities and the need for equitable health care practices.

Should you have any inquiries or require further information, please do not hesitate to reach out to us: Camille.Wets@UGent.be

Yours sincerely,

Prof. Dr. Piet Bracke¹, Dr. Melissa Ceuterick¹, Dr. Katrijn Delaruelle¹, Prof. Dr. Stéphanie De Maesschalck³, PhD student Camille Wets¹, Prof. Vincent Lorant², Dr. Marie Dauvrin², Dr. Brice Lepièce², PhD student Camille Duveau²
