### FREQUENTLY ASKED QUESTIONS

#### PARTNER COMPOSITION

**01** Is there an obligation to include (a) defence research institute(s) in a proposal?

*For the three themes, Belgian Defence research institutes (Royal Military Academy (RMA), the Military Hospital Queen Astrid (MHQA) and the Defence Laboratories (DLD)) can be a coordinator/partner in a proposal. It is not mandatory to have one of these institutes as a project partner; it will neither have a beneficial effect on the evaluation result (no bonus).*

**02** Is there a restriction to the number of project proposals a given institute/company/researcher/person may participate in as partner and/or coordinator?

*No, there is no limitation to the number of proposals a given Institute/company/researcher/person may participate in as partner and/or coordinator.*

**03** Will the fact that a given researcher acts as coordinator of several project proposals be taken into account in the evaluation?

*The fact that a given researcher acts as coordinator of several proposals may be taken into account in the final strategic selection of projects to be financed.*

**04** Can someone who is hired as subcontractor also appear as staff?

*No. Someone engaged as a subcontractor cannot appear as staff.*

**05** Is it necessary to identify the subcontractor in the proposal?

*No, only the subcontracted task(s) need to be described. The specification of the particular company/institute is not mandatory. It is recommended not to mention the name unless it is certain.*

**06**

**Is it possible to link a PhD student from a given university to the proposal?**

*Yes, this is possible. If the PhD student is to be financed by the university, then the candidate's tasks must be included in the Gantt chart and Work Plan (under Other sources). If the PhD student is to be financed by the DEFRA programme via the project, then the candidate must be included within the budget as staff, and his/her tasks included in the Gantt chart and Work Plan. Remark: tax free doctoral scholarships are not accepted for PhD students in charge of the DEFRA programme.*

*Yes. It can be done, provided the person to be hired is identified by name in the proposal. Then, a higher salary will be accepted.*

**02**

*Yes. The time and cost of personnel can be shared by two institutions, but it must be explained within the proposal. Should the proposal be funded, the institutions are responsible for how they apply this arrangement.*

**03**

**What rules apply if there are staff changes along the way during the execution of the project? Is it possible to affect part of the staff budget to other partners/budget category?**

*Once the contract of the project has been signed, changes can be made via an amendment to the contract. Amendments can include shifts in budget categories and also - in case of a network project - budget shifts between partners.*

**05**

How many proposals will be awarded per theme?

**06**

Will private companies be fully paid for the project?

*See paragraph 3.7. of the information document. This call is subject to the European legislation on State Funding (Art 107 (1) TFEU and the General Block Exemption Regulation in particular.
