Cathrin Urbanke
RWTH Aachen

Join us for the first session in our **Community of Practice (CoP) Webinar Series**, where we explore the theme of Cultural Diversity and Intercultural Competences for Staff.

In our CoP, we promote dynamic discussions and knowledge-sharing around Dual Career and Social Integration. This is your chance to hear expert presentations from core group members, followed by interactive open discussions.

Why Join This Webinar?

- **Cultural Awareness & Intercultural Skills**

With cultural diversity growing at universities and research institutions, gain valuable insights into the "Welcome to Leipzig" initiative and intercultural trainings designed to raise awareness of German communication patterns and their comparison to other cultures.

- **Best Practices for Internationalization**

Learn about the "Certificate International for Employees" from RWTH Aachen, a comprehensive program that prepares staff for the challenges of internationalization, especially in the fields of technology and administration.

- **Networking & Knowledge Exchange**

Engage with experts and peers from across the Euraxess network. Our open discussions provide a platform for participants to share their experiences and learn from one another.
